

Councillor Fairclough:

To postpone consideration of Cllr Austin's Motion until this Council has seen the results of the Discretionary Review process approved by the WBC Executive on 01 July 2025.

My proposal is that Cllr Austin's Motion be postponed for at least six months and be reconsidered, in the light of both the findings of the Independent Review of householder cases and the workings of the WBC Executive Working Group at the WBC Full Council Meeting on 26 January 2026.
